

LIBRARY

The communal Library of Vicchio offers cozy rooms for individual study, consultation of books, newspapers and magazines. It is also very culturally committed organizing meetings with writers and actors, film shows, laboratories for children, courses, conferences and exhibitions.

Services

- **Local loan** of the library's books. Users have access to about 19000 volumes and can borrow up to six books per month. The loan is extendible under request. The interlibrary loan is available if the book you are looking for is not present in the local catalogue. Other than books it is possible to borrow DVD and VHS movies for seven days upon one-off payment. In the [online catalogue](#) you can easily check the availability of the books or media.
- The library offers to all subscribed users **free internet access**, for 1 hour per day, through the five computers available or your own notebook connected via wifi.
- **Photocopy** service of the library's material within the law limitations and annually defined costs.

Loan and internet access services are subject to subscription to the library system.
